

## Welcome to Gates of Praise

At Gates of Praise, it is our heart's desire that we be a people of integrity, modeling unity and seeing with the eyes of the Holy Spirit.

We are passionate for equality, loving with the heart of God and reflecting the diversity of race and culture in our community; in a place of expectation, experiencing the ministry of Christ and miracles from the hand of God.

We are purposed for availability,  
never limited by finances or resources when called upon for service to  
the Lord. It is our vision that these desires be realized through the Steps to Success: Win, Connect, Disciple and Send.
